

## **Special Formation**

What does this mean?? It refers to separate formation for children over 2<sup>nd</sup> grade who have not received First Reconciliation and Eucharist.

These children are at a different point in understanding their faith journey and the preparation is a little different and definitely more mature.

We do this preparation with the family in a brand-new book called “Invited By Christ”. We will begin using this book in 2023-24.

Please let Shannon know if your child needs to receive Reconciliation/Eucharist and she will add them to the Special Formation class. It is still a two year process, so they must do one year in Religious Education before beginning the preparation for the sacraments.
